

ROTTWEILERS IN NEED - SPONSORSHIP FORM

The Rottweilers In Need Sponsorship Scheme has been created to help the dogs that find themselves in our care long-term. We do sometimes find ourselves having to take dogs in that require medical treatment, lengthy rehabilitation, or are simply elderly.

By contributing to our Sponsorship Scheme, will enable us to be able to carry out immediate medical treatments, without the dogs having to wait for us to fund raise to pay their fees. It will also help immensely with the care for the dogs that find themselves with us on a longer-term basis, whilst waiting for their new homes to come along. It is our aim that all dogs within our care will eventually find loving permanent homes.

As you will appreciate, postage costs are ever increasing, so we will therefore feature on our website, www.rottwelersinneed.co.uk - the dog/s you will be helping with your contributions, and give regular updates of their progress, thus enabling every single penny you donate to be spent on the dogs themselves.

If you would like to contribute to this scheme, please complete the standing order form below and send it to:
Kim Cussans, 10 Benton Close, Cressing, Essex. CM77 8HE.
